Do not use your GPS to find the range. It may take you far out of the way.
Mapquest.com has very accurate maps and directions for the area.

From Fort Hood:

- Take Hwy 190 west into Copperas Cove
- Stay in right lane and make a Right at Ave D/FM1113 (by Cactus Motel)
- Merge into Left lane and go up to the 3rd light by Ace Hardware
- Make a Right, continue over railroad tracks
- Make a Left on Ave B/FM1113 (near Dairy Queen)
- Go 4 miles and turn left onto Oak Springs Road
- **Look for white signs that say TSSR to direct you**
- Follow Oak Springs Road all the way around, when you come to the “Y” stay to the Left
- Continue until you come to CR3384 and make a Right (also referenced as Joes Way)
- Follow CR3384 up the hill, at the next “Y” stay to the Right. As you come back down the hill the driveway to the property will be straight ahead (on curve of the road)
